A.A. Dunedin Intergroup TCF and PI Subcommittees

No meeting was held this month. Library closed at 4pm under Covid Level 2

PI (Public Information) Report – Carol R

Library Bookings have been made for 21st - 25th October
Hospital Bookings have been made for 27 Oct - 1 November

Awareness week is held annually usually about the 21st with some national ads on radio, TV. This time was not available at the hospital however having it a week apart means we can use all the same materials, i.e. pamphlets, posters and the banner. A rotating cube display created by Paul will run during the week at the library.

Volunteers who would like to help would be greatly appreciated. Please contact me if you can. 0220612019

- to help set up displays or take down
- Volunteers to help check the tables morning or afternoon- 2 or 3 people

TCF (Treatment and Correction Facility) Report: - Paul F

We still need volunteer speakers for OCF.
3 of us visited OCF earlier this month and one prisoner attended who had been to the previous two visits. He had read the entire book we'd left last time, AA *In Prison: Inmate to Inmate*, so we left him a copy of the Big Book this time.

Thanks to Dunedin AA for your support for us to be able to provide this literature!
At level 2, we are not able to visit the prison but we are keeping our next visit for 12 September penciled in should the status change before then.

Please spread the word to your groups: *We need volunteer speakers for OCF. Members who cannot commit to being on the roster for OCF visits should still consider applying for clearance at the prison in case their circumstances change in the future. Being cleared doesn't obligate you to anything, but means you can volunteer to speak there at a later date without complication, as clearance can take a bit of time and effort.*
